PROFESSIONAL SUMMARY

Hardworking 4th-year Information Technology student at Rizal Technological University with hands-on experience in computer hardware assembly, laptop troubleshooting, network setup, and basic web development using HTML and CSS. Detail-oriented, a fast learner, and effective at managing time and priorities. Seeking an IT internship where I can apply my technical skills and contribute to team success.

EXPERIENCE

Internship

Feb 2026 – Apr 2026

Modernext IT Solution Corp — Greenhills, San Juan City

- Assembled, disassembled, and custom-built high-end system units, ensuring proper component placement and system functionality.
- Downloaded, installed, and configured operating systems across multiple rental laptops and desktop setups.
- Diagnosed, repaired, and re-encoded configurations for rental laptop inventory to maintain peak operational readiness.
- Managed local area network (LAN) setup, cable management, and verified network stability across client machines.
- Evaluated hardware specifications and component compatibility to assist in preparing client build quotations.

ICT Student Intern / Trainee

Mar 2023 – May 2023

Vicente Madrigal National High School — Binangonan, Rizal

- Assisted school staff with event presentation designs, certificates, handbooks, and student record management using graphic design tools.
- Performed hands-on networking tasks, including Wi-Fi cable crimping, LAN setups, and network stability checks.
- Provided technical support by troubleshooting desktop computers, maintaining hardware units, and ensuring lab systems remained operational.

PROJECTS

Lumina Haven Hotel | 2024

Technologies: HTML, CSS

- A responsive website landing page for a boutique hotel, featuring smooth layout structures, room listings, and custom CSS styling designed for a modern booking preview experience.

RTU COEURLIENS | 2024

Technologies: Figma

- A mobile UI/UX prototype for students featuring user flows for authentication, home dashboard, chat messaging, announcements, profile settings, and social interactions.

CSS TUTORIAL | 2024

Technologies: HTML, CSS, JAVASCRIPT

- An educational, step-by-step documentation guide demonstrating core CSS principles including Flexbox, Grid layout, and custom properties tailored for beginner web design practice.

EDUCATION

Bachelor of Science in Information Technology

Aug 2023 – Present

Rizal Technological University — Mandaluyong, Metro Manila

TECH SKILLS

Programming: Java, Python, JavaScript, HTML, CSS

Web Server & Database: XAMPP, Basic SQL & Database Management

Productivity: Microsoft Word, Excel, PowerPoint

Design & Multimedia: Canva, Multimedia Editing Tools

Hardware & Networking: System Building, OS Deployment, Ethernet Cable Crimping, LAN Setup
